SOFTWARE

IDE

- Visual Studio, Visual Studio Code, NetBeans

Project Management

- Git, MindView

Photo Editing & Media

- Photoshop, Canva, Krita

PROFILE SUMMARY

Currently in my second year of a Bachelor's degree in Computer Science in Bordeaux, and ultimately aiming to be a software engineer, I am looking for a work-study program in software development from July 2025 to June 2026.

EDUCATION

IUT of Bordeaux-Gradignan, (33) France – *Bachelors in Computer Science*

SEPTEMBER 2023 - CURRENTLY

Obtaining a Bachelor's degree in computer science, specialised in software development, as well as an international diploma.

Some projects ...

- ClimaStat Data Visualisation App** - Project managing & development (C#, SQL, Python).
- Towa Video Game** - Implementing game instructions, and artificial intelligence (Java).
- MuseAi Website** - Designing and coding a responsive website from scratch (HTML/CSS).

Lycée Jean-Cassaigne, (40) France – *French Baccalaureate*

SEPTEMBER 2020 - JUNE 2023

Obtained the French Baccalaureate with honours, majoring in Mathematics and Computer Science, as well as an Honours Class of History and Geography (in English).

LANGUAGES

- **English** : Fluent (Spoken, written, read) / CEC (Cambridge Certificate) Level C1
- **French** : Fluent (Spoken, written, read)
- **Spanish** : Intermediate (Written, read)

INTERESTS

- **Art** : Sketching & painting (@ZazoyaDraws)
- **Music** : (2 years) Bass & guitar
- **Dance** : (10 years) Ballet, Modern Jazz, Hip-Hop

WORK EXPERIENCE

BANGINI, Eugénie-les-Bains (40), France - Sales associate
